## LANDHEIM SCHONDORF

INTERNATSSCHULEN AM AMMERSEE | SEIT 1905

### Language Courses

A basic knowledge of English (at least two years school) is obligatory for students just starting to learn German. Participants will be divided into three teaching groups after sitting a placement test on the first day. Students in our beginners' group will cover basic language skills and a priority will be given to conversation.

Intermediate students will read and discuss newspaper articles, short stories, and play scenes. To improve their knowledge of grammar and expand their vocabulary, they will read challenging and engaging texts and discuss current topics covered in current newspapers.

Advanced students will be encouraged - with the support of their teachers - to compose essays and reports on different themes discovered in newspapers or literary texts.

All students also contribute to the course magazine which they take home at the end of the program. All our German teachers are native speakers with many years of teaching experience in both German and German as a foreign language. Maximum size of any course group is 12 students.

#### Level of German

- Beginner (A1/A2)       Intermediate (B1)       Advanced (B2/C1)

### Afternoon Activities

These are weekly courses, you will spend the first week doing one activity, the second week doing another – in total two of the activities on offer. Select FOUR activities. Please indicate your 1st, 2nd, 3rd and 4th choice:

### Excursions

On Wednesday afternoons our unique location enables us to offer trips to Bavaria's capital, Munich, where we will get to know the inner city. During these excursions, activities may include visiting various places such as the Olympic Park, different museums, the Allianz Arena, the English garden and surroundings and many more.

During the weekend, we will offer two day trips to the mountains: one, being a more challenging hike to a peak, above 2000 meters and the second, a more relaxing outing in the beautiful scenery of the Ammergau Alps including a visit to King Ludwig's castle "Linderhof".

### Conditions of Acceptance

- Upon receipt of the fully completed application form, you will receive a folder with further information, contract and invoice.
- Enrolment is not finalized, until the fee has been paid in full and the signed contract returned.
